HEAR THE ROAR

# HEAR THE ROAR!! EXTRA LOUD!

At Born Free, we think wild animals do not belong in a circus. Animals in a circus may only spend just a few minutes a day out of their cages. They are forced to do tricks and punished if they go wrong.

## DID YOU KNOW?

**In 2020, England finally announced a ban on wild animals in travelling circuses. Sadly, some countries, including France and the USA, do not have these laws in place.**

**Meet Angela, Bellone, Louga and Saïda**

Four lions, all born in captivity and all taken from their mothers when they were only a few months old. For many years, they were forced to perform in a circus in France but have been given the chance of a new life.

They are now living in a temporary home and Born Free wants to take them to South Africa to live at our sanctuary.
